RE: 2nd Qtr 2002 Samples

Mark,

All samples for Bear Canyon have now been uploaded from the pipeline. A report is attached.

According to the parameters we have set, you should have also had a sample for DH-2, DH-4, and SBC-13. Have you changed your monitoring requirements in your MRP?

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E. Reclamation Specialist (801) 538-5320 danadean@utah.gov

Thank you, Mark.

Both samples have now been uploaded.

I tried to go in and change it but I can't. The date CT&E received it was May 21, 2002.
